```
10003:Test EsmatMohammadi$ git commit -m "this is a test for  
commit assignment "
```

[master (root-commit) 023aaf5] this is a test for commit assignment

Committer: Esmatullah Mohammadi

<EsmatMohammadi@10003.local>

Your name and email address were configured automatically based on your username and hostname. Please check that they are accurate. You can suppress this message by setting them explicitly:

```
git config --global user.name "Your Name"
```

```
git config --global user.email you@example.com
```

After doing this, you may fix the identity used for this commit with:

```
git commit --amend --reset-author
```

3 files changed, 0 insertions(+), 0 deletions(-)

create mode 100644 aboutMe.txt

create mode 100644 index.html

create mode 100644 style.css

```
10003:Test EsmatMohammadi$ git push -u origin master
```
